Composition and Independence, Experience and Authority

The Committee shall be composed of members of the Board of Directors in such number as is determined by the Board with regard to the by-laws of the Bank, applicable laws, rules and regulations and any other relevant consideration.

In this Charter, "Bank" means The Toronto-Dominion Bank on a consolidated basis.

No member of the Committee may be an officer or retired officer of the Bank. Every member of the Committee shall be independent of the Bank within the meaning of applicable laws, rules and regulations and any other relevant consideration as determined by the Board of Directors, including the Bank's Director Independence Policy.

The members of the Committee shall be appointed by the Board and shall serve until their successors are appointed. A Chair will be appointed by the Board upon recommendation of the Corporate Governance Committee, failing which the members of

the Committee may designate a Chair by majority vote. The Committee may from time to time delegate to its Chair certain powers or responsibilities that the Committee itself may have hereunder.

In addition to the qualities set out in the Position Description for Directors, all members of the Committee should have a sound understanding of the types of risks to which the Bank may be exposed and of the techniques and systems used to identify, measure, monitor, report on and mitigate those risks, or be willing and able to acquire the necessary knowledge quickly. Committee members may enhance their familiarity with risk management issues by participating in educational programs conducted by the Bank or an outside consultant.

In fulfilling the responsibilities set out in this Charter, the Committee has the authority to conduct any investigation and access any officer, employee or agent of the Bank appropriate to fulfilling its responsibilities, including, without limitation, the shareholders' auditor. The Committee may obtain advice and assistance from outside legal, accounting or other advisors as the Committee deems necessary to carry out its duties and may retain and determine the compensation to be paid by the Bank for such independent counsel or outside advisor in its sole discretion without seeking Board approval.

Meetings

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. The Committee shall meet separately with the Chief Risk Officer of the Bank at each regularly-scheduled meeting, and other selected members of management as considered necessary by the Committee, to discuss any matters that the Committee believes should be discussed privately. Any member of the Committee may make a request to the Chair for a Committee meeting or any part thereof to be held without management present. The Committee shall also meet with the Office of the Superintendent of Financial Institutions Canada ("OSFI") to review and discuss the results of OSFI's annual supervisory examination of the Bank in the event OSFI directs that it meet with the Committee instead of the full Board. The Committee may also meet with the shareholders' auditor from time to time as determined by the Committee.

To facilitate open communication between this Committee and the Audit Committee, and where the Chair of the Audit Committee is not a member of this Committee, he or she shall receive notice of and attend by invitation of this Committee, as a non-voting observer, each meeting of this Committee and receive the materials for each such meeting. In addition, this Committee shall meet with the Audit Committee at least two times annually to discuss topics relevant to both Committees.

All non-management directors who are not members of the Committee have a standing invitation to attend meetings of the Committee but may not vote. Additionally, the Committee may invite to its meetings any director, member of management of the Bank or such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.
